A game is a system capable of generating emotions through agency in a ritual space.

Emotion, mechanic and theme

I want people to feel _____

Therefore, I'm going to:

Core Mechanic

Limit	Make	Enhance
Force	Enable	Destroy

Or choose your own!

What?

In a _____ setting.

1

Main character

Draw here!

Hint: doesn't have to be: human, a creature or a tangible thing! Think out of the box!

Description

POWERS!

2

Object(s)

Hint: design a in-game object. It can be a power-up or just a recurring/useful object.

Name

Description

Uses

1

2

3

3 Each object should be used in three different ways.

Obstacles

Hint: Can be bad guys, physical obstacles or even abstract things!

Name

Description

Name

Description

Name

Description

4 Describe how and why each obstacle works

Level design

Hint: use the grid in order to sketch a sample level.
